

IKARUS Advisory Meeting Package

Customized consulting and coaching services for your Guardians

Annual subscription with quarterly consulting, and flexible scheduling

The **IKARUS Advisory Meeting Package** is designed to meet your organizational needs with tailored consulting and coaching services for your OT security systems (Guardian).

This flexible annual subscription includes quarterly advisory sessions, with the frequency adjustable to your specific requirements.

Services included in the IKARUS Advisory Meeting Package

- ✓ **Customizable consulting intervals:** Choose the consulting cycle that best aligns with your operational requirements and security goals – monthly, quarterly, or on demand.
- ✓ **Knowledge transfer and training:** Receive targeted training and in-depth insights into your OT security systems to continuously strengthen your internal expertise.
- ✓ **Configuration, alarm rules, and system health review:** A systematic examination of your settings and security measures to maximize the efficiency and effectiveness of your security management.
- ✓ **Solutions for specific issues and tasks:** Direct support and prompt resolution of emerging challenges and inquiries.
- ✓ **Consideration of individual feature requests:** Addressing your specific requirements to enhance system functionality and implement improvements tailored to your needs.
